Time Control

90 minutes each, plus 30 seconds per player from Move 1 (Fischer mode on the DGTs). This time control will apply to all divisions. At this stage, it is likely that the *top four* divisions will be FIDE rated; this is subject to entry by at least four (4) FIDE rated players in each.

Format

The event will be a round robin format, with players split into divisions (usually of 10 players) roughly corresponding to their ratings. (Players may play up one division on request, except into the top division). The number of divisions will be subject to the total entries submitted. The championship division (FIDE rated) is hoped to be comprised only of players whose ACF ratings are over 1800. The field for this division is being finalised; anyone wishing to play should contact Charles Zworestine (contact details below) before Monday 06/03/2023.
